Founding Story
The Founder of Mend-A-Body Solutions is (www.mlmlegal.com) Deb St. Hilaire. She was told that she was overweight and prone to coronary health problems yet that she was aged and only medication was a treatment option. Ms. St. Hilaire wasn't willing to settle for this solution. She heard about new research coming from Europe and attending a program which taught her about her inflammatory and sugar-food consumption. After applying what she'd learned, her health and weight improved. Her health and weight improved so much that she left the security of her six-figure income to offer her holistic approach to others.

Deb St. Hilaire is recognized for having the following accomplishments:

• *Retired executive ranking in the top 2% nationally with Mary Kay Cosmetics*
• *Former nutrition coach for Weight Watchers of Maine, affiliated with the Maine Dairy and Nutrition Council, Southern Maine Christian Daycare Food Program*

• *Recent graduate of Medi Zone weight loss and nutrition*
• *Recognized nationally for superior coaching, motivational and communication skills which have been sought after by many groups and organizations, including Mary Kay Cosmetics*
