

FINDINGS AND STIPULATION

COMMAND DISCIPLINE SCHEDULE (A)

In the matter of the **Negotiated Settlement** held for Police Officer India Archie, Tax Registry No. 915243, an employee of the New York City Police Department holding the position of Police Officer. I, India Archie acknowledge receipt of a copy of the Charges and Specifications dated March 19, 2010, and annexed hereto, and numbered one (1). I hereby accept the finding(s) of substantiation of the allegations contained in the aforementioned Charges and Specifications.

I am fully aware of the fact that I am entitled to a Disciplinary Hearing pursuant to applicable laws of the City and State of New York in which I would be entitled to representation, to confront witnesses against me and to appeal an adverse decision rendered after such hearing to a Court or Administrative Agency of proper jurisdiction. I have been advised that the penalty recommended for the Charges and Specifications sustained against me is as follows:

Charges to be returned for Command Discipline

Schedule (A) and re-training in the area of Emotionally Disturbed Persons

Charges and Specifications will be dismissed for plea purposes.

I fully understand the nature and terms of this finding and stipulation and have discussed its ramifications with my attorney. If this stipulation is approved by the Police Commissioner, I accept said decision, and as a condition of accepting such decision of the Police Commissioner, I hereby waive any and all rights granted to me under all applicable laws of the City and State of New York.

This Negotiated Settlement is not considered final until the Police Commissioner has approved it. However, I acknowledge that this penalty is considered binding upon me once this Negotiated Settlement has been signed by my counsel and me.

I understand that if I submit an application for any type of retirement pension, including but not limited to an accidental or ordinary disability retirement pension, prior to the approval of this agreement by the Police Commissioner and the imposition of this Negotiated Settlement, this Negotiated Settlement will be considered null and void at the discretion of the Police Commissioner. Upon application for any type of retirement, the Police Commissioner may elect to File the above referenced Disciplinary Charges against me or may expeditiously schedule the matter for a Department Trial.

I understand that this stipulation is in lieu of other lawful sanctions that the Police Commissioner may have imposed after trial and a finding of guilt for the charged misconduct, but does not preclude him from exercising his discretion or authority or both as to promotion, demotion or appointment.

I have discussed the terms and conditions of this negotiated settlement with my attorney and I understand its terms and conditions. I acknowledge that this Negotiated Settlement was executed by me voluntarily without duress or coercion, expressed or implied and in the presence of my attorney who has subscribed below.
