COURT REPORTERS ARE NOT MACHINES

This post is in answer to Governor Schwarzenegger's comments regarding court reporters being machines and easily replaceable. Lisa Michaels, President of the Deposition Reporters Association of California, did a fantastic rebuttal to our Governor's remarks about the record and how "*court reporters are typists and old fashioned.*"

I am proud of Chris Jordan who runs our legal video department (and my dear husband) for the production of the video.

Check out the video:
