

# Unfiltered Orange | Weekly eDiscovery News Update – January 12, 2011

Happy New Year!

We hope you enjoy and benefit from this week's update as we are excited to begin a new year of covering electronic discovery news, views, and events with this edition of *Unfiltered Orange*.

Compiled by [Orange Legal Technologies](#) from online public domain resources, *Unfiltered Orange* is a weekly newsletter designed to inform and educate legal professionals on key stories, developments, and announcements in the electronic discovery field. For up to the minute news updates, visit [@OrangeLT](#) on Twitter.

Additionally, for legal professionals with electronic discovery needs, Orange Legal Technologies offers an integrated, web-accessible, forensically sound electronic discovery platform that enables online analytics, processing, and review of data from the security of a hosted centralized repository. To learn more about the [OneO® Discovery Platform](#) and how it can support electronic discovery in 1/2 the time, at 1/2 the cost, with lower risk than traditional approaches, [contact us today](#).
