

MSC Order List: April 27, 2010

[28. April 2010 By Julie Lam](#)

On April 27, 2010, the Michigan Supreme Court denied one motion to waive fees, seven motions for reconsideration, one motion for an award of costs on appeal, and 114 applications for leave to appeal.

The Michigan Supreme Court also issued an order directing a prosecuting attorney to answer an application for leave to appeal filed by the State Appellate Defender's Office in [People v Peltola, No. 140524](#) and to specifically address the argument that *People v Lowe*, 484 Mich 718 (2009) precludes the scoring of the prior record variables.

In lieu of granting appeal, pursuant to MCR 7.302(H)(1), the Michigan Supreme Court remanded [People v Taybron, No. 140388](#) to the trial court for correction of the judgment of sentence, and denied the application for leave to appeal in all other respects. The Michigan Supreme Court ordered the application of [Trakhtenberg v McKelvy, No. 140150](#) to be held in abeyance pending the decision in *People v Trakhtenberg*, which has been remanded to the Court of Appeals for further proceedings.
