[Webinar: Strategies For Dealing With "Trademark Bullies"](#)

Posted on February 2, 2011 by [Steve Baird](#)

[Last week we announced](#) a trademark seminar taking place in Minneapolis on March 2, 2011, and one of the hot topics to be discussed from 1:15 - 2:30 PM CST, is "Strategies For Dealing With "Trademark Bullies."

Given the special interest in the [trademark bullying](#) topic outside and well beyond the Twin Cities, Minnesota Continuing Legal Education has decided to make the 75 minute panel discussion available in a live webinar format too.

The registration details are [here](#).

We hope you are able to join the [passionate discussion](#) on both sides of the question, either in person, or via the webinar.

If you are unable to attend either, and you have questions you'd like covered, please post them here, so we can attempt to address them during the program.
