California Board of Legal Specialization

WHY YOU SHOULD HIRE THE LAW OFFICES OF W. BAILEY SMITH

1. Over 5,000 satisfied clients have discovered the benefits of our proven system. Mr. Smith has personally drafted over six thousand (6,000) Trusts.
2. We specialize in helping families keep their assets in their family bloodline, to avoid creditors and predators so that your assets will pass to your children and grandchildren, and avoid the confiscatory death tax.
3. Mr. Smith has forty (40) years of experience as an attorney. He is also a certified specialist in probate, estate planning, and trust law. Less than half ($\frac{1}{2}$) of one percent (1%) of attorneys are certified in California as specialists.
4. We conveniently handle estates and probates throughout California because we maintain two (2) offices (Irvine and Long Beach).
5. Mr. Smith has been quoted as an expert in tax planning in the Readers Digest, the Wall Street Journal, the American Bar Association Journal, the Orange County Register, and the Orange County Lawyer. He was also interviewed by CNN News and Fortune Magazine.
6. Mr. Smith has spoken to Financial Planners in California, Texas, Louisiana, Florida, and Georgia. He was also invited to speak at the National Convention of Certified Financial Planners in Atlanta, GA.
7. Mr. Smith has lectured to both attorneys and CPAs in Orange County, Los Angeles County, and San Diego County about Estate Planning.
8. Mr. Smith is a graduate of Stanford University and the University of California, Hastings College of the Law (which is the oldest Law School west of the Mississippi). Mr. Smith was also an adjunct Professor at Long Beach State for ten (10) years.
9. Mr. Smith has written the booklet entitled, "How To Plan Your Estate Today" to simply explain the benefits of proper estate planning.
10. As part of our ongoing education program, we send regular updates to our family of clients about changes in the law to keep them current.
