CESR Publishes Call for Evidence on AIFMD Implementing Measures

On December 3, the Committee of European Securities Regulators (CESR) published a call for evidence seeking view on the “Level 2” implementing measures required under the Alternative Investment Fund Managers Directive (AIFMD). This input is designed to assist CESR and the European Securities and Markets Authority, which will replace CESR with effect from January 1, in the development of draft advice on the content of the AIFMD implementing measures, which will be published for consultation in 2011.

Responses to the call for evidence must be submitted by January 7.
