

**New Telefilm Canada Guidelines for International Treaty Co-Productions**

November 30, 2010 by Bob Tarantino

Telefilm Canada has revamped its international treaty co-production materials:

- new guidelines (published November 29, 2010)
- updated FAQs
- revised forms and affidavits
- selection of useful tools

The new guidelines, in particular, look quite valuable: stream-lined and re-formatted, they appear at first glance to be easier to navigate than the somewhat unwieldy previous version. It's been a while since I visited the Telefilm website, but it too looks like it has received a nice upgrading.
