

MSC Order List: July 29, 2011

1. August 2011 By Kevin Kileen

On July 29, 2011, the Michigan Supreme Court denied application for leave to appeal in *In re Davis*, No. 143099, and *Hatcher v. Hatcher*, No. 141838. In *Wolford v. Pikarski*, No. 142805, the Court reversed the Court of Appeals, for the reasons set forth in the *dissent* in the Court of Appeals. And in *Khan v. City of Flint*, No. 142324, the Court, over a dissent by Justice Kelly, reversed a Court of Appeals order regarding the plaintiff's constitutional claims against the City of Flint, finding the complaint made no mention of 42 USC Sec. 1983, the exclusive remedy for alleged federal constitutional violations. The Court remanded the case to the Court of Appeals for reinstatement of the order granting summary disposition to the defendant.
