Practice Management Tips for Oregon Lawyers

Acrobat X is Here!

[Acrobat X](#) is here! Read [Rick Borstein's](#) review of the new and improved features in [Acrobat X](#), including the support of Microsoft Office 10 ([much needed](#)).

Some of the highlights:

- Improved OCR accuracy
- New adaptive compression to reduce scanned files
- Redaction enhancements
- Preservation of rich text formatting when converting from Acrobat to Word
- Web capture supported for Mozilla Firefox
- New text-only document comparison
- Improved functionality for PDF portfolios
