## Raising Capital Without Violating CA Securities Laws

Posted In [California Securities Laws](#)

10-13-2010

On October 21, 2010, I will be speaking to the Business Law Section of the Bar Association of San Francisco on how to raise capital without violating California's securities laws. I plan to discuss the following topics, among others:

- Common (and not so common) exemptions
- Using (and abusing) the internet
- Finders and broker-dealer issues
- Investor qualification

You can find information on how to register [here](#).
