LLC Contractor Bill Sent to Governor

On September 16, I wrote that SB 392 (Florez) had been “held at desk” pursuant to Joint Rule 57. SB 392 would allow an LLC to be licensed as a contractor. Cal. Const. Art. IV, § 10(b)(2) provides that any bill passed before September 1 (SB 392 was passed on August 30) and in the possession of the Governor on or after September 1 (as is the case with SB 392) will become law if it is not returned on or before September 30. Thus, the Governor has very little time to make a decision about whether to sign the bill or return it.
