Build It Green is a membership supported non-profit organization whose mission is to promote healthy, energy- and resource-efficient homes in California. Established in 2003, we offer a comprehensive package of local government support, professional training, collaboration forums, consumer education, and green product marketing to a range of stakeholders.

On Thursday, December 9, Build It Green will hold its year-end forum and celebration in Berkeley at the David Brower Center, and we encourage readers to attend. More information can be found at the Build It Green website: <http://bit.ly/hu9wzj>

Please contact [Michael Patrick Durkee](#) or [Thomas P. Tunny](#) for more information.
