The Dual Team-Builder Business Plan Promotes Teams!

Each of your Tracking Positions has two avenues for growth: Left and Right Sales Team. When you choose the Executive Plan, each one of your three Tracking Positions can earn bonuses and commissions independently as each Tracking Position qualifies. The best way to build your business is to support those you sponsor. The Dual Team-Builder sets up an inherent support system, because with only two teams to build, you build depth rather than width.

Team Commissions Keep Cycling!

Team commissions are paid in Steps and Cycles - you always know how much the next check can be! As you step through your Cycles, it's important to remember that you can cycle many times every month - in fact, you can cycle up to three times every day as your Teams grow and develop!
