

## [FCC Sets Comment Date on Draft Rules for Processing Tower Registrations to Assess The Impact of Communications Towers on Migratory Birds](#)

by [David Oxenford](#)

April 5, 2011

The FCC [has released the comment dates for its draft rules setting out when \*\*Environmental Assessments\*\* are needed to formally evaluate the environmental impact of the construction and major alteration of communications towers.](#) We wrote about these draft rules [here](#), and described their history - growing out of concerns by conservation groups about the effects of communications towers on migratory birds. Comments on the Commission's Draft rules are due on May 5.
