

Bob Latham Bulletin

The Changing Nature of Fame: What the generation coming of age today regards as "fame" may have significant implications for defamation law.

Paul Watler's Perspective

Print, broadcast and digital content providers in Texas have new means to fend off litigation aimed at chilling free speech through laws recently enacted by the Legislature.

Book Review

Our roving media attorney Bob Latham hits the books. This month's book review: *Too Much to Know* by Ann Blair -- The history of information overload is actually an age old tale, and one that is chronicled in remarkable detail in this book.
