Infant Onesies and Rompers Recalled

Posted On: **June 23, 2010** by [Patrick A. Malone](#)

The Consumer Product Safety Commission (CPSC) announced a voluntary recall of infant onesies and rompers that are manufactured by Holtrop & McIndoo, dba Kiwi Industries. The recall followed two incident reports the manufacturer received. Although no injuries have been reported, the CPSC cautions that the snaps on the apparel can detach and pose choking hazards to infants. See the CPSC's recall on its website [here](#).
