

## **Attorney Andrew Weinstein Recognized as Florida Legal Elite**

**Coral Springs, FL.** – Attorney Andrew Weinstein of the Weinstein Law Firm in Coral Springs was recently recognized in the 2011 edition of Florida Trend's Florida Legal Elite™.

Last fall, lawyers in Florida were asked by *Florida Trend* to name attorneys they hold in the highest regard or would recommend to others. Ballots were processed, checked and tabulated by a third party resource. Each lawyer was given a score based on the number of votes he or she received. The list of top vote-getters was further examined using membership status and practice histories provided by the Florida Bar. A panel of elite attorneys representing different practice areas in cities across the state, reviewed the selection process and the list of finalists.

The resulting list represents approximately 2% of the more than 66,000 active Florida Bar members practicing in Florida.

"Florida Trend is a leader in providing substantive rankings of exceptional attorneys as determined by peers. The Legal Elite peer review ranking provides highly reliable information on leading lawyers throughout Florida." notes Florida Bar President, Scott Hawkins.

As a trial attorney focusing on personal injury law and insurance litigation, Mr. Weinstein has successfully resolved several thousand cases for Florida consumers and healthcare providers. Mr. Weinstein is AV rated by Martindale-Hubbell and has received a score of 10 from Avvo, which is the highest rating an attorney can achieve from this lawyer rating service. As an active member in the Florida legal community and an advocate for consumers and health care providers, Andrew frequently lectures on issues relating to Personal Injury Protection (PIP) law, Insurance Litigation and Personal Injury claims and is often consulted by the media on these and other topics.
