What is a Class Action Lawsuit and Could I have One?

What is a [Class Action lawsuit](#)? This is when multiple parties have a common cause of action and they are collectively filing a lawsuit together. The reason for filing together or as in a [Class Action](#) is, in many instances, it is not economical to file individual claims, and the impact can be greater by submitting the claims together. Over the past few years changes have been made in the rules; now consumer organizations may bring claims on behalf of large groups of consumers.

[Ankin Law Office](#) is currently working with other firms that are lead council involved with several class action suits; if you or anyone you know needs help with the cases described below, please contact our [office](#) immediately and let us help you obtain the best possible recovery.
