*New Cases:***2. Defendant Entitled to Hearing for Post-Conviction Relief.State v. Santos210 NJ 129 (2012)**

The grant of an evidentiary hearing in which defendant was to be permitted to provide telephonic testimony must be reversed and the matter remanded for full reconsideration by the post-conviction relief (PCR) court as to whether defendant can meet the standard for entitlement to an evidentiary hearing underState v. **3. Domestic Violence Requires a Dating Relationship, Not Just Dancing.S.K. v. J.H.\_\_\_\_ NJ Super. \_\_\_\_ (App. Div. 2012) A-1358-11T2. 6-6-12**

Plaintiff brought this suit pursuant to the Prevention of Domestic Violence Act, N.J.S.A. 2C: 25-17 to -35, as a result of being atrociously assaulted by defendant, who, along with plaintiff, was on a trip to Israel with approximately 40 others. In seeking to prove the existence of a dating relationship, plaintiff was able to show only that, on the evening of the assault, she and defendant sat together, danced together, and were together for a few hours at the bar. The trial court found a dating relationship and entered a final restraining order. In considering defendants appeal, the court deferred to the trial judges finding that the parties interactions constituted a date but rejected the argument that this one date constituted the dating relationship required by the act. Although the Legislature did not expressly define what it meant by a dating relationship, the court found from the majority of those other states that have defined the term that a dating relationship is a romantic social relationship, which is further defined by its frequency and duration but which excludes casual or ordinary fraternization between two individuals in a business or social context. As a result of this generally accepted meaning of dating relationship, the court held that a single date was insufficient and reversed.

Meet with an experienced Attorney to handle your important legal needs.  
Please call the office to schedule a confidential "in Office" consultation.  
Attorneys are not permitted to provide legal advice by email.

Since 1985, KENNETH VERCAMMEN has worked as a personal injury attorney, working for injury victims and their families. By taking a hard-hitting, aggressive approach toward the insurance companies, KENNETH VERCAMMEN and our co-counsel have consistently obtained outstanding results for many injured clients over the years I am proud to have worked on cases in various capacities, small and large. While obviously prior results cannot guarantee the outcome of future cases, I can guarantee that you case will receive the same degree of dedication and hard work that went into each of these prior cases.

In direct contrast to the hard-hitting approach we take toward the insurance companies is the "soft" approach we take toward our clients. I am proud of my compassionate staff as I am of the outstanding financial results they have achieved. For many years, I have watched them treat our clients with patience, dignity and respect. I would have it no other way.

Many years ago, I attended a seminar sponsored by the American Bar Association on Law Practice Management. This was to help insure that each of our clients is always treated like a person -- not a file! We recognize that you are innocent victims and that you have placed your trust in us. Please understand that we understand what you are going through. Feel comforted that we are here to help you.

If you retain KENNETH VERCAMMEN to represent you, we will give you the same advice we give each of our clients -- concentrate on your life, you family and your health. We will take care of everything else. Leave all of the work and worry about your legal rights to us. Trust us. Believe in us. Have faith in us as your attorneys. Understand that we will always do what we believe is best for you and your case. Helping you is our job. In fact, it is our only job -- guiding injury victims like you through one of the most difficult times of your lives, with care and concern -- while fighting aggressively to the limits of the law to obtain compensation and justice for each of you!

Print our Personal Injury Questionnaire on our Website, Fill it out and Fax back, so we can determine if we can help you obtain an injury settlement. We would welcome an opportunity to prove to you what we have proven to thousands of injured clients -- that you can feel comfortable and secure in the fact that KENNETH VERCAMMEN - Trial Attorney We Fight To Win.

When you have been injured in an accident or collision, you are worried about who is going to pay your medical bills, lost wages, and other damages. The last thing you want is to be taken advantage of by an insurance company. If you don't protect your rights, you may not be able to make a claim.

Insurance companies have attorneys and adjusters whose goal is to pay you as little as they can. You need a New Jersey personal injury lawyer to fight for you. I am dedicated to helping your recover as much money as possible under the law.

You need an attorney who will work hard to protect your rights, maximize your insurance settlement and minimize the hassles of dealing with the insurance companies. You need an experienced and aggressive New Jersey trial lawyer with PROVEN RESULTS who will fight for you. Having an experienced personal injury lawyer can make the difference between getting what you deserve and getting nothing.

Without the threat of a lawyer who is willing to go to trial and seek a big jury verdict, why would an insurance company pay you what your claim is really worth? Lawsuits can be expensive, and many people do not have the money to pursue their claim. In every case, I advance all costs associated with pursuing your case and I do not ask you for a penny until we recover from the other side.

I am an experienced aggressive trial lawyer and a 3rd degree Black Belt. I am not afraid to take your case to trial if that is what it takes to maximize the amount of money your recover for your personal injury. I offer one-on-one service, and I will not hand your case off to an inexperienced lawyer or a paralegal.

Reduce the stress of making a claim.

Personal injury accidents can turn your life upside down. Making a personal injury claim can be difficult and time consuming. Once I take your case, you can stop worrying about dealing with the insurance companies and focus on recovering from your injuries. I take care of all of the paperwork, phone calls, and negotiations, so you can get on with your life.

p.s. For those clients who are afraid or reluctant to go to Court, KENNETH VERCAMMEN also offers a special - "For Settlement Only" -- program. This means that if we are unable to settle with the insurance company, we will not go any further -- unless you want us to. You have my personal assurance that there will be absolutely no pressure and no obligation.

We handle personal injury cases on a contingency fee basis.

This means:

YOU DON'T OWE ME A LEGAL FEE UNLESS I RECOVER MONEY FOR YOU.
