### Why We Have the Best Michigan Lawyer Website?

“It was very important to our Michigan law firm to create a great website for accident and injury victims in Michigan. At Buckfire & Buckfire, we realize the importance for consumers to be able to access legal information, especially if they are looking to educate themselves about a specific type of accident they were recently involved in. In fact, we realized over forty years ago that our best clients were the ones who understood their legal rights and educated themselves on how the system works. With the rampant use of the internet, we figured that this would be the best way to provide the public this valuable information,” says Partner and Attorney Daniel Buckfire.
