50 Lawyers and Legal Professionals You Should Follow

There is nothing more powerful than **word of mouth**. That's why when professionals have something to say, they say it on Twitter.

Literally millions of legal professionals have made names for themselves on this social networking site.

You, too, can become an **INFLUENCER** on Twitter, but the key is to get the right people to read what you have to say.

A tweet just isn't a tweet without a *valuable base of followers* who are tied to your niche.

Here is a list - compiled in part by me, [The Legal Intelligencer](#), and [JD Scoop](#) - of 50 lawyers and legal professionals YOU should consider following on Twitter.

And, if you're lucky, they'll follow YOU back.
