## INSTRUCTIONS

Please complete the attached questionnaire as accurately as possible. Federal law requires that we notify you that all information given in the petition and the case must be complete, accurate and truthful. You must list all assets (everything you have in your possession). Even if you still owe money to a creditor, the property you are paying for is still in your possession and its value must be disclosed. When listing the value of your personal property, please list the 'yard sale' value and not what it would cost you to replace the property if lost.

Do not leave any blanks. If a question does not apply to you, check the " NONE" box or write "N/A" next to the corresponding question.

With regard to your debts:

- ◆ We will obtain a credit report from all three credit reporting bureaus in an effort to list all of the creditors you may owe money to. Realize that many credit reports contain errors and certain debts may not be reported to the credit bureaus. Therefore, it is necessary for you to provide a complete list of anyone you may owe money to.
- ◆ When names and addresses are requested, please provide detailed information. It is very important to make sure notifications are sent to the corrected parties.
- ◆ Please provide such information as the date you incurred the debt and what the debt was for.
- ◆ Estimate balances on outstanding accounts as closely as possible.
- ◆ Do your best to provide all requested information for both the original creditor as well as any collection agency that has been assigned to the account.
- ◆ If you have been sued, please provide us with a copy of the lawsuit.

Do not omit any bills. Notify us of any particular debts you are interested in paying after bankruptcy.

# DISCLAIMER

I acknowledge that Christine A. Wilton, hereinafter referred to as “Attorney”, uses outsourced legal and administrative support services, some of which may be provided by service providers located outside of the United States. By retaining Attorney, I expressly consent to the use of such service providers with no further notice to me of their use in any particular manner. In the course of these services, I authorize Attorney to disclose information that is protected by Attorney’s obligation of confidentiality and by attorney-client privilege. Attorney has carefully chosen the service providers with which they work, and they are all bound to Attorney by contractual obligations of confidentiality. Attorney also ensures that all service providers have not performed services for any parties adverse to my interest. Attorney will also review the work provided by Attorney’s support staff and verify that it is accurate, relevant and complete.

My signature on this disclaimer constitutes my consent for Attorney to disclose information that Attorney considers necessary to the service providers. Attorney will refrain from using any such service providers if I request it, but this may increase the total fees in my case.

I acknowledge that Attorney advised me that conducting attorney-client conversations over cellular telephones, though not necessarily violating attorney-client privilege, involves potential risks of interception and such conversations cannot be considered confidential. My signature in this disclaimer serves as my informed consent to communicate with Attorney via cellular telephones should the need arise.

I further acknowledge that Attorney advised me that sending unencrypted email can violate attorney-client privilege as it involves the potential risk of interception of client confidences. My signature in this disclaimer serves as my informed consent to communicate with Attorney via email.

Attorney contends that some electronic documents will be stored outside of his office on a secured SSL 128 bit encrypted storage facility. My signature in this disclaimer serves as my informed consent to the storage of my personally identifiable electronic data in the secure SSL 128 bit encrypted online storage facility.
