QUESTIONS & ANSWERS FROM A NURSING HOME LAWYER

## Seeking Wound Care Professionals For New Bed Sore Treatment Resource

*Posted at 6:09 AM on May 7, 2010 by Jonathan Rosenfeld*

If you are a wound care professional with experience treating decubitus ulcers, please send me your information for addition to a new area of our sister website, [Bed Sore FAQ](#). [Bed Sore FAQ](#) is a compilation of commonly asked medical and legal questions regarding bed sore care and the corresponding legal rights of those who may have developed a wound during an admission to a [nursing home](#) or [hospital](#).

Updated regularly, here is a sampling of the topics discussed at [Bed Sore FAQ](#): [prevention](#), [treatment](#), [research](#), [stages of bed sores](#), [debridement](#), [sepsis](#), [infection](#) and [lawsuits](#).

We are in the process of compiling a national database of doctors, nurses and medical facilities that concentrate in wound care. If you are interested or know of a colleague who is, kindly [forward me](#) the following information:

- NAME:
- FACILITY:
- ADDRESS:
- TELEPHONE:
- FAX:
- WEBSITE:
- AREA OF CONCENTRATION:

[Bed Sore FAQ](#) is an established resource for families and individuals suffering from bed sores. Getting quality and prompt medical attention for bed sore

[www.bedsorefaq.com](http://www.bedsorefaq.com)

treatment not only improves the quality of life, but also saves lives. In the spirit of assisting those in need, we invite wound care professionals to participate in our new endeavor to make quality wound care more accessible.
