Founding Story

Aihu's Signature Product Line was developed by Ann Walker who was an occupational therapist for 31 years. Prior to (www.mlmlegal.com) Aihu, she worked on a depression and stress unit in a psychiatric hospital where 99 percent of the patients were females. She worked on a burn unit as a burn therapist when she learned about skin integrity, regeneration, and elasticity. She worked in physical rehabilitation where she learned about autoimmune conditions. Her work encouraged her to develop a line of anti-stress and dry skin products.
