By: Donna Ray Chmura. *This was posted Tuesday, December 7th, 2010*

[President Obama announced](#) a tentative deal this morning with congressional Republicans to extend certain tax cuts signed by President [George W. Bush](#) a decade ago.

The rhetoric has been fast and furious, claiming both that extending the tax cuts will increase our record-setting national [deficit](#) and that ending them will cost [jobs](#).

Now that the tax cuts have been extended for two years, will you hire new employees? Why or why not?
