## **NEWSBYTE: CARB Phase 1 Inventory Sell-Through Date Extension**

In May, 2011, the California Air Resources Board (ARB) announced a delay of enforcement of the sell-through dates for existing inventory of Phase 1 finished goods which use Hardwood Plywood – Veneer Core composite wood. The extension moves the sell-through date from June 30, 2011 to June 30, 2012, and applies to all importers, distributors, fabricators, and retailers of finished goods.

The sell-through date for Phase 1 Particleboard (PB) and Medium Density Fiberboard (MDF) panels has also been extended, from May 31, 2011 to December 31, 2011. This extension applies only to distributors of those panels. It does not affect the sell-through date for finished goods using PB or MDF. That date remains at June 30, 2012
