## Thoughts on Lindsay Lohan

The fact that Lindsay Lohan recently returned to jail is absolutely no surprise. Unfortunately, like so many of our clients, she has a substance abuse problem that no amount of lawyering or advocacy on her behalf can cure. Her actions, like those of so many clients, are a cry for help. All her attorney, or any attorney, can do in such a situation is continue to fight. Sometimes what finally helps a client to conquer the demon that seems to rear its head at the most inopportune moments is the knowledge that someone cares, no matter what, and will continue to believe in you, no matter what.
