

Internet Defamation Lawyer Caught On Video . . .

POSTED BY ADRIANOS FACCHETTI

I'm having way too much fun creating educational videos using a cool site I found called www.xtranormal.com. The site allows you to create animated videos, which is a lot of fun. I also think it's a great way to continue to share excellent content with you regarding California Defamation Law and so you can "see" what a **defamation lawyer** looks like.

You can check out the following videos I made on my **NEW Defamation Law Channel** on Youtube:
