Foreign spouses of U.S. citizens need not wait for a green card to enter the country. They may be able to join their loved one here in the U.S. by obtaining a non-immigrant visa while they wait to apply for or receive lawful permanent residence status.

You might be eligible for a K3 Visa specifically designed for foreign spouses of American citizens if:

You are legally married to a U.S. citizen;

Your U.S. spouse has filed on your behalf a family-based I-130 petition; and

You want to enter the country pending the grant of a green card petition and lawful permanent residence.

By obtaining a K3 Visa, you can:

Apply for a proper work permit and engage in employment here; and

Bring your dependent children here on a K4 Visa if approved.
