In yesterday's order list, the Michigan Supreme Court vacated in part the Court of Appeal's judgment in *John Guidobono II Revocable Trust Agreement v. Jones*, concluding that the Court of Appeals erred in applying the doctrine of acquiescence to easements. The Supreme Court also remanded as on leave granted *Angel v. A1 South/Grand Rapids Griffins* and held *People v. Farquharson* in abeyance pending the Supreme Court's upcoming decision in *People v. Dowdy*, because *Dowdy* may resolve an issue raised by *Farquharson*. In *People v. Smoot*, the Court directed the Grand Traverse County Prosecuting Attorney to answer the application for leave to appeal and specifically to address the defendant's contention that the trial prosecutor engaged in pervasive misconduct. And finally, the Court denied 12 applications for leave to appeal.
