

Intermountain eDiscovery 2010

2nd Annual | 9.24.2010 | Hilton Salt Lake City Center

Intermountain eDiscovery 2010
9.24.10 | Hilton Salt Lake City Center

Intermountain eDiscovery 2010

leDC is a one-day legal technology conference designed to provide legal professionals with practical information on the latest tools and techniques of eDiscovery.

"...the Intermountain eDiscovery Conference was a positive way to interact with and learn from current practitioners and representatives from corporations that are consistently fighting the eDiscovery battle." Seth P. Hobby, Associate General Counsel, Dyno Nobel, Inc.

Intermountain eDiscovery 2010

2nd Annual | 9.24.2010 | Hilton Salt Lake City Center

"I attended the Intermountain eDiscovery Conference last year and found it a valuable investment of time and money. The speakers were informative and knowledgeable. While I thought I had a good grasp on electronic discovery strategies and processes, the conference opened my eyes to a number of technologies, ideas, and resources which I now incorporate into my practice." *Sean D. Reyes, Litigation Partner, Parsons Behle & Latimer*

Key eDiscovery Sessions

- Social Media and Electronic Discovery: Riches and Risks
- The Challenge and Benefit of Integrating IT into Electronic Discovery
- The Continued Emergence of Early Case Assessment
- Best Practices: Complex Discovery in Corporations and Law Firms
- Considering eDiscovery? Time, Cost, and Risk Considerations
- Metadata: What It Is, Why It Is Important, and Why You Should Care
- Organizing and Managing Large Document Reviews
- eDiscovery 101 - An Overview of eDiscovery
