

Appeals+ The Right Addition to Your Trial Team

[Update on In-House/Appellate CLE Program](#)

The lineup is set for the [free CLE seminar](#) the State Bar of Texas Appellate Section is sponsoring on the role of appellate counsel in civil litigation. An e-brochure with details is available [here](#).

This seminar is specifically geared to in-house lawyers and will cover some very timely topics (for example, appellate attorney's fee structures). We have lined up an outstanding group of panelists, including several sitting judges.

Please consider distributing the e-brochure to your in-house contacts and encouraging them to come. Better yet, if you're an appellate lawyer, plan on attending yourself and bringing a client or two with you. The more educated in-house counsel are about what we do and how we can add value, the better for all our practices.
