

Scottsdale DUI

By: Jeremy Geigle, Attorney at Law
JacksonWhite, P.C.

People don't plan on getting into an accident when they drink and drive. In most cases, a DUI charge is the result of a bad decision or impulse to get behind the wheel after drinking too much. However, when a person's Scottsdale DUI charge involves an accident that results in physical injury or death, the consequences can be extremely severe and life altering.

A driver isn't thinking clearly when they are under the influence of drugs and/or alcohol and their decision making ability is significantly impaired. Since people who drink and drive have already made the mistake of taking to the road, they might also decide to flee from the scene of an accident. This choice can result in additional consequences, such as time behind bars or hefty fines.

To make sure that your rights are protected, make good decisions regarding your defense in court, especially if you are facing criminal charges in Scottsdale for fleeing the scene of a fatal collision as well as an [Arizona DUI](#).
