On a scale from 1 (strongly disagree) to 5 (strongly agree), please review these statements:

- ___ 1. The family involved benefitted from participation.
- ___ 2. Mediation resolved issues sooner than they would have otherwise.
- ___ 3. Mediation was more affordable for family members than continued litigation.
- ___ 4. Issues that were resolved are less likely to be a point of conflict in the future.
- ___ 5. Mediation resulted in less time spent in court and was preferential to appearing in court.
- ___ 6. My role in this matter was made easier or more simple by participation in mediation services.
- ___ 7. I would recommend participation in mediation services to other families.
