Merry Christmas! Here are some books to give yourself if Santa left you empty- handed

December 25, 2011

Merry Christmas everyone!

I hope that you get everything that you wanted this year. But remember: **You don't always get what you want... but if you try sometimes, you might just find... you get what you need!**

If there was only coal in your stocking this year, give yourself the gift of a good book on design. Designers & Books has released its [Notable Books of 2011](#), which is a list of **over 90 books related to design** that have been recommended by their designers, commentators, and guest bloggers. I'm sure you'll find something there that sparks your interest.

Do you have a favorite design-related book? Share in the comments below, but remember: no commenting after 3 or more glasses of spiked egg nog!
