

Essential Businesses and Permitted Activities Amid Statewide Stay-At-Home Orders: A 50 State Survey

Many states and localities have issued stay-at-home orders and have closed on-site business operations to all but essential businesses and their employees. To enable employers to navigate those restrictions, we provide below a brief description of each state’s and the District of Columbia’s stay-at-home order and business restrictions, where applicable.

Please note that the stay-at-home and closure orders are rapidly evolving. This table reflects the landscape as of June 4, 2020.

Jurisdiction	Stay-At-Home Order	Closure Order	Stay-At-Home Order Details	Closure or Business Restrictions	Penalties for Violation	Effective Dates
Alabama (Updated May 15, 2020)	No	Yes	<p>Alabama’s Safer at Home Order, issued on May 8, 2020, encourages everyone in the state to minimize travel beyond the home, especially if sick; wear a face covering around people from other households; frequently wash their hands with soap and water or a hand sanitizer; refrain from touching their face; sneeze and cough into a tissue or inside their elbow; and disinfect used items and surfaces as much as possible. People who have tested positive for COVID-19 must remain quarantined at their residence for 14 days.</p> <p>Effective May 11, 2020, all non-work related gatherings of any size that may not maintain a consistent 6 foot distance between persons from different households are prohibited.</p> <p>Organizers of religious gatherings are strongly encouraged to read and implement the Alabama Department of Health’s “Guidelines for Places of Worship”.</p>	<p>Effective May 11, 2020 and unless otherwise permitted or required the order, all employers shall take reasonable steps, where practicable as work duties permit, to protect their employees by: maintaining six feet of separation between employees; regularly disinfecting frequently used items and surfaces; encouraging handwashing; preventing employees who are sick from coming into contact with other persons; facilitating remote working arrangements; and minimizing employee travel.</p> <p>Non-work-related gatherings of 10 people or more are prohibited. So are non-work-related gatherings of any size unless the participants can maintain a consistent six-foot distance between people from different households. Drive-in gatherings are permitted, subject to state physical distancing requirements.</p> <p>Effective May 11, 2020, all retail stores shall comply with the following rules: emergency maximum occupancy rate (limited to 50% of the normal load as determined by the fire marshal). The rate shall be posted in a conspicuous place, and enough staff shall be posted at the store entrances and exits to enforce this requirement; An employee of the retail store may not knowingly allow customers or patrons to congregate within 6 feet of a person from another household; Retail stores shall take reasonable steps to comply with guidelines on sanitation from the CDC and the Alabama Department of Health.</p> <p>Effective May 11, 2020, close-contact service providers – such as barber shops, hair salons, waxing salons, threading salons, nail salons and spas, body art facilities, tattoo services, and massage therapy establishments and services – shall comply with the following rules: employees shall not knowingly allow clients or persons accompanying a client to congregate within 6 feet of a person from another household; each employee shall wear a mask or other facial covering that covers his or her nostrils and mouth, at all times while providing services within 6 feet of a client; Employees shall wash</p>	N/A	May 15, 2020, (subject to modification)

				<p>their hands thoroughly with soap and water immediately before providing services within 6 feet of a client.</p> <p>(ii) Employees of all close-contact service providers are encouraged—and employees providing nail services or facial services are required—to wear gloves when providing services within 6 feet of a client. To the extent employees wear gloves when providing services, they should use a new pair of gloves for each client and should put them on immediately after the employees wash their hands.</p> <p>Effective May 11, 2020, athletic facilities—such as fitness centers and commercial gyms, spas, and yoga, barre, and spin facilities—shall comply with the following rules:</p> <p>a. Social distancing.</p> <p>(i) Employees shall not knowingly allow patrons or guests to congregate within six feet of a person from another household.</p> <p>(ii) Employees shall not knowingly allow patrons or guests to participate in any of the athletic activities prohibited (outlined below) including sports that involve interaction with another person of closer than 6 feet and activities that require use of shared sporting apparatus and equipment.</p> <p>(iii) Employees must take reasonable steps to prevent people from congregating in lobby areas, break rooms, and other common areas.</p> <p>b. Limits on facility access. An athletic facility must limit facility occupancy to 50 percent of the normal occupancy load as determined by the fire marshal. Athletic facilities must also prohibit patrons and guests from accessing showers, hot tubs, steam rooms, lockers, saunas and other recreational water or spa facilities. Pools may be open subject to the social-distancing rules of this paragraph.</p> <p>c. Facial coverings. Each employee shall wear a mask or other facial covering that covers his or her nostrils and mouth at all times while in regular interaction with clients or guests.</p> <p>Higher-risk businesses and activities.
