

Summary of Government Regulation Number 27 of 2012 re Environment License

By: Dinesh Kumar Jap (<http://id.linkedin.com/in/dkjap>)

The Government Regulation Number 27 of 2012 ("Regulation") regarding Environmental License was issued on 23 February 2012 by the government of Indonesia, which outlines the requirement for a business or activity in Indonesia having an impact on the environment, to obtain an approval on Environmental Impact Assessment (AMDAL) or UKL-UPL, whichever is applicable, and further obtain an Environment License.

The application for an Environment License should be made in writing to the Minister, Governor, or Regent / Mayor depending upon the area of the activity, and should be submitted along with the request for AMDAL or UKL-UPL Assessment.

Required documents for Environment License application:

- a. Amdal document or UKL-UPL form;
- b. Deed of Incorporation of the business entity;
- c. Profile of business / activity.

The Environment License shall be issued by the Minister, Governor, Regent / Mayor, as the case may be, at the same time during the issuance of the Decree of Amdal worthiness (Amdal approval) or UKL-UPL Recommendation.

Obligation of Environment License holder:

- a. Comply with the conditions and obligations set forth in the Environment License, as well as other licenses or approvals related with environment, which among others are: hazardous waste disposal permit, hazardous waste storage permit, etc;
- b. Prepare and submit the report regarding performance of the conditions and obligations set forth in the Environment License to the Minister, Governor, or Regent / Mayor, as the case may be, every 6 (six) months;
- c. Provide a Surety Fund for the recovery of the environment function in accordance with the prevailing regulation.
