

IPONZ online filing closed 27-28 September 2011

26/09/2011

Due to a major hardware failure, the online filing facility at the Intellectual Property Office of New Zealand (IPONZ) will be unavailable for the next few days.

Tuesday the 27th (tomorrow) and Wednesday the 28th of September will be declared "closed days", but it is very important to note that today is not a closed day.

If you have any concerns, please talk to your Baldwins contact person for assistance.
