### Corporate Compliance Programs: DOJ Issues Updated Guidance: Ten Takeaways for In-House Legal and Compliance Leaders

Jason A. Jones, Zachary Fardon, Brandt Leibe

Energy companies' compliance programs continue to be under the microscope as the energy industry faces sustained enforcement attention from government authorities in the United States. In this environment, it is more important than ever for energy companies to understand the government's expectations of corporate compliance programs. The Department of Justice recently elaborated on its existing guidance on that subject. Find out what it means for your company in our Q&A. [More »](#)
