Leveraging Knowledge to Manage Your Data Risks

## CYBERSECURITY

### [FBI Issues Notice to Health Industry Highlighting Risks of Unpatched Medical Devices](#)

The FBI [issued](#) a Private Industry Notification targeted to the health care sector on September 12, 2022, warning that it has “identified an increasing number of vulnerabilities posed by unpatched medical devices that run on outdated software and devices that lack adequate security features.” [Read more](#)

## ENFORCEMENT + LITIGATION

### [Ireland Fines Instagram €405 Million for Children’s Data Violations](#)

Ireland’s Data Privacy Commissioner will reportedly fine Instagram for its handling of children’s data. According to an investigation that began in 2020, Instagram published emails and phone numbers for children ages 13 to 17 who operated business accounts. Business accounts typically post this information by default. [Read more](#)

## NEW + NOW

### [Hackers Caused a Traffic Jam in Moscow](#)

Hackers caused a massive traffic jam in Moscow by exploiting the ride-sharing app Yandex Taxi and using it to summon dozens of taxis to a single location. While Yandex has not confirmed the attacker’s identity, the hacktivist group Anonymous claimed responsibility on Twitter. The group has been actively taking aim at Russian targets in response to the Russian Federation’s ongoing invasion of Ukraine. [Read more](#)

## PRIVACY TIP #344

### [Advocacy Groups Urge Senators to Advance Bills Protecting Children’s Data](#)

September 15, 2022
