

# Data Privacy + Cybersecurity Insider

## Leveraging Knowledge to Manage Your Data Risks

### CYBERSECURITY

#### [New Threat: Scattered Spider International Coalition of Hackers](#)

Cyber adversaries in China and Russia continue to be a formidable threat to U.S. based companies. In the past, scams might be detected because a word was misspelled or the context didn't make sense. Now, with the help of young Western hackers, cyber adversaries in Russia will be able to use insider knowledge of language and behavioral customs to develop and deploy campaigns against U.S. companies. [Read more](#)

### ENFORCEMENT + LITIGATION

#### [DoorDash Settles with California Attorney General for Alleged Violations of the CCPA](#)

DoorDash, Inc. recently settled with the California Attorney General for alleged violations of the California Consumer Privacy Act (CCPA) and the California Online Privacy Protection Act (CalOPPA). This is only the second public settlement with the California AG's office for claims related to CCPA violations (the first was with [Sephora](#) in 2022). [Read more](#)

#### [U.S. Government Intervenes in Case Alleging Unauthorized Disclosure of CUI](#)

The U.S. government recently intervened in a False Claims Act qui tam case against Georgia Tech Research Corporation, Georgia Institute of Technology, and Georgia Tech Research Institute for violations of NIST 800-171 for failing to protect Controlled Unclassified Information (CUI). [Read more](#)

### ARTIFICIAL INTELLIGENCE

#### [Joint Guidance Published by Five Eyes on Deploying AI Systems Securely](#)

On April 15, 2024, the National Security Agency's Artificial Intelligence Security Center published guidance on "Deploying AI Systems Securely," together with CISA, the FBI, the Australian Cyber Security Centre, the Canadian Centre for Cyber Security, the New Zealand National Cyber Security Centre and the UK's National Cyber Security Centre (a/k/a the Five Eyes). [Read more](#)

#### [The State of AI Governance and Diversity: Takeaways from the AI Index Report](#)

The latest edition of the *AI Index Report* from Stanford University's Human-Centered Artificial Intelligence Center provides a comprehensive look at artificial intelligence (AI) policy, regulation, and diversity trends across the globe. [Read more](#)

#### [Forecasting the Integration of AI into Health Care Compliance Programs](#)

Health care entities maintain compliance programs in order to comply with the myriad, changing laws and regulations that apply to the health care industry. Although laws and regulations specific to the use of artificial intelligence (AI) are limited at this time and in the early stages of development, current law and pending legislation offer a forecast of

standards that may become applicable to AI. [Read more](#)

## PRIVACY TIP

### [Privacy Tip #394 - Colorado Amends Privacy Law to Include Neurodata](#)

On Wednesday, April 17, Colorado Governor Jared Polis signed a law which amends the definition of personal information protected by the state's privacy law to include protections for data generated by activity in the nervous system. This means that neurodata is now protected as sensitive information in the state of Colorado. [Read more](#)
