Dear Mr. Chaker:

Congratulations on your victory! Your triumph in *Chaker v. Crogan* was one of the bright points of our year. I am amazed by plaintiffs like you and what you endure. Your effort, stress, and sacrifice get too little recognition. Without folks like you, this country would be far worse.

I admire your courage. It takes a strong individual to stand up and fight for ten years for the rights guaranteed by the Constitution.

Best wishes with your future endeavors. And, thank you.

Sincere Regards,

Kevin Keenan
