Life is about the choices we make.

You have the option today of choosing to do things that will make your life, family and case better, or worse. Choose those things that make it better.

Sometimes we get in the habit of making bad decisions. It's easy, maybe even fun, but it is not the right choice. The great thing about family law is that if you do not know what the "right" legal answer is, so long as you do what is right you will be ok.

Stop making bad decisions. Stop the bad habits. Make good choices.
