CYBERSECURITY

[Russian Government Officials Charged with Hacking U.S. Energy Infrastructure](#)

The U.S. Department of Justice (DOJ) unsealed indictments against four Russian government officials on March 24, 2022, alleging that they hacked into networks that controlled energy systems in the U.S. [Read more](#)

DATA PRIVACY

[Tracking Employees with GPS? New Jersey Law Requires Employers to Give Written Notice to Employees Before Using a Tracking Device in Employee Vehicles](#)

Private employers in New Jersey need to be aware of the latest employee privacy law that will take effect on April 18, 2022. A3950 prohibits employers from knowingly using a “tracking device” in a vehicle used by an employee without providing written notice to the employee. [Read more](#)

[Utah Consumer Privacy Act Newest State Privacy Act Signed into Law](#)

The newest state data privacy law, the Utah Consumer Privacy Act (the Act), was signed into law by Utah Governor Spencer J. Cox on March 24, 2022. This makes Utah the fifth state to pass its own privacy law instead of waiting for the federal government to enact a nationwide federal law. [Read more](#)
