Post Run Party: Hailey's Harp, 400 Main St., Metuchen, NJ 08840 [next to Metuchen Train Station] only .8 mile from start

More powerful than the Mud runs, Warrior Runs and Swamp devil runs. Tired of the same old neighborhood roads, traffic, bad drivers? Join the off-road runners for a great and unusual training run. Run in the woods and marsh of Edison. Hashing is not a race but a non-competitive group run which follows an off-road course laid out with baking flour. If you like trail running without the competition of a formal race, this will be a fun switch for you. This is a complex course through woods, grass, swamp and marsh. Wear old running shoes.

\$20.00 TO RUN. \$25.00 DAY OF EVENT.

Please bring a can food donation for the St. James Food Bank. A fun time is guaranteed! You must be over 21

years old to participate. No times are recorded. A sense of humor is a must. Prizes and giveaways at the post race social! If you are unable to run you can volunteer. Volunteers receive free beer, food, free skull T-shirt, pirate backpack and skull bandanna. If you wish to volunteer call Kenneth Vercammen Esq. at 732-572-0500 or email Kenvnjlaw@yahoo.com

4. For unlicensed driver, can't get both fine and jail. State v. Carreon 437 NJ Super. 81 (App. Div. 2014)

This appeal required the court to consider whether a never-licensed driver may be fined and sentenced to a custodial term under the penalty provisions of N.J.S.A. 39:3-10. Because the court agreed that the statute allows a fine or imprisonment but not both, even for drivers, who, like defendant, have never been licensed, the court-reversed defendant's sentence and remand to the Law Division for re-sentencing.
