INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders of Cohmad Securities Corporation:

We have audited the accompanying statement of financial condition of Cohmad Securities Corporation (the "Company") as of June 30, 2007 that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements as well as assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position of Cohmad Securities Corporation as of June 30, 2007 in conformity with accounting principles generally accepted in the United States of America.

COHMAD SECURITIES CORPORATION NOTES TO THE STATEMENT OF FINANCIAL CONDITION JUNE 30, 2007

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Cohmad Securities Corporation (the "Company"), incorporated under the laws of the State of New York, is a registered broker-dealer with the Securities and Exchange Commission. The Company is also a member of National Association of Securities Dealers, Inc. and NASDAQ Stock Market.

The Company conducts business primarily with other broker-dealers that are located in the New York City metropolitan area on behalf of its customers and for its own proprietary accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The Company records commission revenue and expense on a settlement date basis, generally the third business day following the transaction date. Revenues and expenses would not be materially different if reported on a trade date basis.

Securities that are owned are stated at quoted market values.

Depreciation was computed using the straight-line method over the estimated useful lives of the assets.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of June 30, 2007, and the reported amounts of revenues and expenses during the year then ended. Actual results could differ from those estimates.

NOTE 3 - BROKERAGE ACTIVITIES

The Company clears all securities transactions through another broker-dealer on a fully disclosed basis. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to nonperformance by its customers. The Company seeks to control the risk associated with nonperformance by monitoring all customer activity and reviewing information it receives from its clearing broker on a daily basis.

COHMAD SECURITIES CORPORATION NOTES TO THE STATEMENT OF FINANCIAL CONDITION JUNE 30, 2007

NOTE 4- INCOME TAXES

For income tax purposes, the shareholders have elected that the Company be treated as an "S" corporation under Subchapter S of the Internal Revenue Code. Accordingly, no provision has been made for Federal income taxes since the net income or loss of the Company is to be included in the tax returns of the individual shareholders. The provision for income taxes represents primarily state and local taxes for the year ended June 30, 2007. The Company files its tax returns on a calendar year basis.

NOTE 5 - SECURITIES OWNED

At June 30, 2007, marketable securities consisted of:

Obligations of U.S. government	\$1,280,752
State and municipal obligations	500,000
Corporate debt	100,050
Corporate stocks	9,369
•	\$1,890,171

NOTE 6 - ACCOUNTS PAYABLE AND ACCRUED EXPENSES

At June 30, 2007, accounts payable and accrued expenses consisted primarily of compensation, commission and related administrative expenses.

NOTE 7 - RELATED PARTY TRANSACTIONS AND REVENUES

The Company provides brokerage services to an entity owned by a minority shareholder of the Company for which it received fees amounting to approximately 89% of the Company's net revenues for the year ended June 30, 2007.

NOTE 8 - CONCENTRATION OF CREDIT RISK

The Company's cash and securities owned that are held in accounts at its clearing broker are subject to the credit risk of the clearing broker. From time to time, the Company's cash balances maintained in bank accounts may exceed federally insured limits.

COHMAD SECURITIES CORPORATION NOTES TO THE STATEMENT OF FINANCIAL CONDITION JUNE 30, 2007

NOTE 9 - REGULATORY REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that Net Capital, as defined be at least the greater of \$100,000 or one fifteenth of aggregate indebtedness, as defined. Net capital and aggregate indebtedness change from day to day, but as of June 30, 2007, the Company had net capital of approximately \$2,060,000, which exceeded requirements by approximately \$1,960,000. In addition, at June 30, 2007, the Company's ratio of aggregate indebtedness to net capital was .32 to 1.

The above computation of net capital under Rule 15c3-1 does not differ materially from the computation as of June 30, 2007 included in the Company's unaudited Form X-17a-5 Part IIA.

COHMAD SECURITIES CORPORATION COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION AS OF JUNE 30, 2007

COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS:

The Company operates under the exemptive provisions of paragraph (k)(2)(ii) of SEC rule 15c3-3.

INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS:

The Company has complied with the exemptive requirements of SEC rule 15c3-3 and did not maintain possession or control of any customer funds or securities as of June 30, 2007.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To The Board of Directors and Shareholders of Cohmad Securities Corporation:

In planning and performing our audit of the financial statements of Cohmad Securities Corporation, (the "Company") as of and for the year ended June 30, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons, and comparisons and recordation of differences required by Rule 17a-13.

 Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2007, to meet the SEC's objectives.

This report recognizes that it is not practicable in an organization the size of Cohmad Scourities Corporation, to achieve all the divisions of duties and crosschecks generally included in a system of internal control and that, alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and should not be used by anyone other than those specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders of Cohmad Securities Corporation:

We have audited the accompanying statement of financial condition of Cohmad Securities Corporation (the "Company") as of June 30, 2007, and the related statements of income, changes in shareholders' equity, and cash flows for the year then ended that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements as well as assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cohmad Securities Corporation as of June 30, 2007, and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on pages 10 and 11 are presented for the purpose of additional analysis and are not required as part of the basic financial statements, but as supplementary information required by Rule 17a-5 under the Securities and Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

COHMAD SECURITIES CORPORATION NOTES TO FINANCIAL STATEMENTS JUNE 30, 2007

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Cohmad Securities Corporation (the "Company"), incorporated under the laws of the State of New York, is a registered broker-dealer with the Securities and Exchange Commission. The Company is also a member of National Association of Securities Dealers, Inc. and NASDAQ Stock Market.

The Company conducts business primarily with other broker-dealers that are located in the New York City metropolitan area on behalf of its customers and for its own proprietary accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES.

The Company records commission revenue and expense on a settlement date basis, generally the third business day following the transaction date. Revenues and expenses would not be materially different if reported on a trade date basis.

Securities that are owned are stated at quoted market values.

Depreciation was computed using the straight-line method over the estimated useful lives of the assets.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of June 30, 2007, and the reported amounts of revenues and expenses during the year then ended. Actual results could differ from those estimates.

NOTE 3 - BROKERAGE ACTIVITIES

The Company clears all securities transactions through another broker-dealer on a fully disclosed basis. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to nonperformance by its customers. The Company seeks to control the risk associated with nonperformance by monitoring all customer activity and reviewing information it receives from its clearing broker on a daily basis,

COHMAD SECURITIES CORPORATION NOTES TO FINANCIAL STATEMENTS JUNE 30, 2007

NOTE 4 - INCOME TAXES

For income tax purposes, the shareholders have elected that the Company be treated as an "S" corporation under Subchapter S of the Internal Revenue Code. Accordingly, no provision has been made for Federal income taxes since the net income or loss of the Company is to be included in the tax returns of the individual shareholders. The provision for income taxes represents primarily state and local taxes for the year ended June 30, 2007. The Company files its tax returns on a calendar year basis.

NOTE 5 - SECURITIES OWNED

At June 30, 2007, marketable securities consisted of:

Obligations of U.S. government \$1,280,752
State and municipal obligations 500,000
Corporate debt 100,050
Corporate stocks 9,369

NOTE 6 - ACCOUNTS PAYABLE AND ACCRUED EXPENSES

At June 30, 2007, accounts payable and accrued expenses consisted primarily of compensation, commission and related administrative expenses.

NOTE 7 - RELATED PARTY TRANSACTIONS AND REVENUES

The Company provides brokerage services to an entity owned by a minority shareholder of the Company for which it received fees totaling \$5,320,367 which was approximately 89% of the Company's net revenues for the year ended June 30, 2007. The Company shares office space and equipment with this entity for which the Company paid approximately \$54,000. The Company also reimbursed the entity for certain general and administrative expenses incurred on behalf of the Company in the amount of approximately \$84,000.

9,369 \$1,890,171

NOTE 8 - CONCENTRATION OF CREDIT RISK

The Company's cash and securities owned that are held in accounts at its clearing broker are subject to the credit risk of the clearing broker. From time to time, the Company's cash balances maintained in bank accounts may exceed federally insured limits.

NOTE 9 - REGULATORY REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that Net Capital, as defined be at least the greater of \$100,000 or one fifteenth of aggregate indebtedness, as defined. Net capital and aggregate indebtedness change from day to day, but as of June 30, 2007, the Company had net capital of approximately \$2,060,000, which exceeded requirements by approximately \$1,960,000. In addition, at June 30, 2007, the Company's ratio of aggregate indebtedness to net capital was .32 to 1.

SUPPLEMENTARY INFORMATION
PURSUANT TO RULE 178-5 OF THE
SECURITIES EXCHANGE ACT OF 1934
JUNE 30, 2007

The above computation of net capital under Rule 15c3-1 does not differ materially from the computation as of June 30, 2007 included in the Company's unaudited Form X-17a-5 Part IIA.

COHMAD SECURITIES CORPORATION COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS AND INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS UNDER RULE 15c3-3 OF THE SECURITIES AND EXCHANGE COMMISSION AS OF JUNE 30, 2007

COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS:

The Company operates under the exemptive provisions of paragraph (k)(2)(ii) of SEC rule 15c3-3.

INFORMATION RELATING TO POSSESSION OR CONTROL REQUIREMENTS:

The Company has complied with the exemptive requirements of SEC rule 15c3-3 and did not maintain possession or control of any customer funds or securities as of June 30, 2007.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL

To The Board of Directors and Shareholders of Cohmad Securities Corporation:

In planning and performing our audit of the financial statements of Cohmad Securities Corporation, (the "Company") as of and for the year ended June 30, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our oplnion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications and comparisons, and comparisons and recordation of differences required by Rule 17a-13.
- Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at June 30, 2007, to meet the SEC's objectives.

This report recognizes that it is not practicable in an organization the size of Cohmad Securities Corporation, to achieve all the divisions of duties and crosscheeks generally included in a system of internal control and that, alternatively, greater reliance must be placed on surveillance by management.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc., and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers and should not be used by anyone other than those specified parties.
