

The Domain Name Deluge: What In-House Counsel Need to Know About ICANN's New gTLD Program

December 6, 2011 by [Joshua S. Jarvis](#)

On Monday, December 12 at 12:30 p.m. EST, the [Northeast Chapter of the Association of Corporate Counsel](#) presents *The Domain Name Deluge: What In-House Counsel Need to Know About ICANN's New gTLD Program*. J. Scott Evans, Senior Legal Director, Global Brand & Trademarks, YAHOO! Inc. will join me to explore ICANN's [upcoming introduction of new top-level domain names](#), including a discussion of domain name basics, an overview of the New gTLD Program and the application process and timeline, and a review of what companies should be doing to traverse the rocky terrain of potential opportunities and significant risks. [Julia Huston](#) will moderate. Please register for the webinar [here](#).
