

KERSHAW | CUTTER | & RATINOFF | LLP

Making Insurance Companies Pay

The insurance bad faith attorneys at Kershaw, Cutter & Ratinoff have years of experience helping victims of insurance bad faith by successfully litigating against insurance companies. We have accomplished victories in forcing insurance companies to pay valid claims, as well as to pay additional related damages, such as punitive damages (or punishment for handling a claim in bad faith).

In the following cases, our insurance bad faith lawyers have won [substantial damages](#) for our clients.

- ⤴ **Homeowner's Insurance refused to pay** when the family home was destroyed in a fire
- ⤴ **Uninsured Motorist Insurance refused to pay** a policyholder who was injured in an auto accident
- ⤴ **Uninsured Motorist Insurance refused to pay** a policyholder who was injured in a low speed automobile accident
- ⤴ **Mortgage Life Insurance denied the family's claim and refused to pay**, claiming that there were "misrepresentations" in the insurance application
- ⤴ **Disability Insurance refused to pay** an accountant who was disabled due to a back injury
- ⤴ **Disability Insurance refused to pay** a gynecologist with a stress-related disability who was unable to work when he lost his hospital privileges
- ⤴ **Disability Insurance refused to pay** a night watchman who was disabled due to a knee injury
- ⤴ **Disability Insurance refused to pay** a cardiac surgeon who was disabled from performing surgery, but was able to continue in other duties of a cardiologist
- ⤴ **Insurance Company refused to pay** a rice grower who suffered business losses when a large quantity of rice was damaged by water intrusion into a grain silo
- ⤴ **Errors & Omissions Insurer refused to pay** when a claim was made for improper installation by an industrial heating and air conditioning (HVAC) equipment installer.
